In the Matter of:

PURCHASE WATER ADJUSTMENT OF )  
BRONSTON WATER ASSOCIATION, INC. ) CASE NO. 8800-1

O R D E R

IT IS ORDERED that Bronston Water Association, Inc. ("Bronston") shall file an original and six copies of the following information with this Commission by February 17, 1984. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

1. Provide a balance sheet and a statement of income for the 12-month period ended December 31, 1983.

2. The Commission's Order dated September 23, 1983, in Case No. 8800, Notice by Bronston Water Association to Increase its Rates, directed Bronston to file with the Commission within 60 days of the date of the Order, the results of Bronston's efforts to renegotiate the terms of payment of the \$209,000 loan with the Farmers Home Administration. Presently, this information has not been filed with the Commission. Therefore, to comply with the Commission's directive in Case No. 8800, provide the information as required by the September 23, 1983, Order.

3. Bronston was granted a rate increase, effective September 23, 1983, in Case No. 8800 based on sales for the calendar year 1982. Comparison of the statements of water sold

during 1982 and during the calendar year 1983 (the time period to be used in this case) shows increased sales and fluctuation of sales from month to month. Due to this, normalized test period revenues based on the rates granted in Case No. 8800 cannot be computed from available data. Therefore, please provide a detailed billing analysis for the 12-month period ending December 31, 1983.
