O R D E R

On May 15, 1984, the Kentucky Association of Radio Common
Carriers ("RCC Association"), by counsel, filed a Motion to
Withdraw from this proceeding. The Motion states, among other
things, that a letter filed May 9, 1984, from counsel for South
Central Bell ("SCB") has proposed to withdraw Feature Group E and
the application of Feature Group A to Radio Common Carriers from
its access charge tariff proposals and that the effect and impact
of the proposed application of Feature Group A and E to RCC
interconnection arrangements was the principal reason for the RCC
Association's participation in this proceeding.

The Motion further states that, conditioned upon the
Commission's acceptance of the proposed arrangement set forth in
the letter from counsel for SCB filed May 9, 1984, and the letter
of May 14, 1984, from Dennis L. Myers, counsel for the RCC
Association, responding to it, the RCC Association requests leave
to withdraw as an active party of record since, by such
acceptance by the Commission, the RCC Association would have no
continuing interest in this proceeding.

The Commission, having considered the Motion of the RCC Association and being advised, is of the opinion and finds that because of the condition included in the Motion, the Motion should be denied.
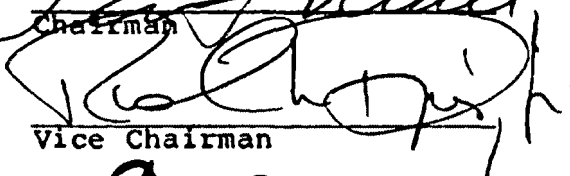

The Commission further finds that SCB's request to withdraw its Feature Group E access charge tariffs and the application of Feature Group A access charge tariffs to Radio Common Carriers should be held in abeyance pending the outcome of the hearings scheduled to begin May 31, 1984.

IT IS THEREFORE ORDERED That the Motion be and it hereby is denied.

Done at Frankfort, Kentucky, this 25th day of May, 1984.
