In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF WESTERN) CASE NO. 8839-J
KENTUCKY GAS COMPANY)

O R D E R

On December 1, 1983, the Commission issued its Order in Case No. 8839 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On December 7, 1984, Western Kentucky Gas Company ("Western") notified the Commission that it had received notice of an increase in rates from its supplier, Tennessee Gas Pipeline Company ("Tennessee"), and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) On November 30, 1984, Tennessee filed an application with the Federal Energy Regulatory Commission for revised rates to be effective January 1, 1985.

(2) Western's notice of December 7, 1984, set out certain revisions in rates which Western proposed to place into effect, said rates being designed to pass on the wholesale increase in gas

cost from its supplier in the amount of \$249,654 or .62 cents per Mcf.

(3) Western's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8839, dated December 1, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after January 1, 1985, subject to refund. These rates should be subject to refund because Tennessee's rates are subject to refund.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after January 1, 1985, subject to refund.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Western shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 18th day of December, 1984.
