In the Matter of:

THE NOTICE OF EAST KENTUCKY )  
POWER COOPERATIVE, INC., OF ) CASE NO. 8948  
A REVISION OF ITS WHOLESALE )  
ELECTRIC POWER TARIFF )

O R D E R

IT IS ORDERED that East Kentucky Power Cooperative, Inc., ("EKP") shall file an original and nine copies of the following information with the Commission on or before February 3, 1984. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to insure that it is legible. Where information requested herein has been provided along with the original application, in the format requested herein, reference may be made to the specific location of said information in reponding to this information request. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

1. For each member cooperative in EKP's system, provide the hourly load for the peak day in each month during 1981, 1982 and 1983.

2. For each member cooperative in EKP's system provide average hourly load for each month during 1981, 1982 and 1983.

3. Provide EKP's hourly system load for the peak day for each month during 1981, 1982 and 1983. Provide average system load for each month during 1981, 1982 and 1983.

4. For each member cooperative in EKP's system provide billing demand under the proposed tariff for each month during the test year.

5. For each member cooperative in EKP's system provide actual billing demand for each month during the test period.

6. If a cost-of-service study was prepared to support the proposed wholesale rate design then provide the study and all workpapers developed for the study. If EKP used Stanley Consultants' Report on Wholesale Rate Study as the basis then so indicate.

7. Update Exhibit G to reflect the impact of the proposed change in the wholesale tariff on member cooperatives if the tariff had been in effect from April 30, 1983, through December 31, 1983.

8. Provide an explanation of why the proposed time-of-day wholesale rates are appropriate for EKP since Stanley Consultants in EKP's last rate case recommended against adoption of time-of-day wholesale rates.

9. Provide a copy of EKP's analysis and/or workpapers used in supporting the selection of the summer and winter peak periods.

10. Provide a statement of when and in what format EKP expects its member cooperatives to file for rate design changes in response to the proposed wholesale tariff revisions.

11. Provide a detailed description of the retail rate design changes that ERP expects its member cooperatives to file.

Done at Frankfort, Kentucky, this 25th day of January, 1984.
