CASE NO.  
7990

O R D E R

On June 20, 1984, the Attorney General's Consumer Protection Division ("Attorney General"), by counsel, filed a Motion requesting an extension of time up to and including July 3, 1984, within which to file its testimony.

The Motion states, among other things, that despite efforts to operate within the condensed order of procedure, the Attorney General's ability to present their position within the ordered time frame is speculative. As an example, the Motion

states that responses to their second set of data requests have not been received although the testimony is due June 27, 1984.

The Commission, having considered the Motion and being advised, is of the opinion and finds that an extension to and including July 3, 1984, would allow only one working day for requests for information to the Attorney General pursuant to the revised order of procedure established in the Commission's Order entered June 4, 1984, and that, accordingly, the Attorney General should be granted an extension of time only to the close of business June 29, 1984, within which to file its testimony.

IT IS THEREFORE ORDERED That the Motion be and it hereby is sustained to the extent that the Attorney General be and it hereby is granted an extension to the close of business June 29, 1984, to file its testimony.

Done at Frankfort, Kentucky, this 22nd day of June, 1984.
