In the Matter of:

LOUISVILLE GAS AND ELECTRIC)
COMPANY'S TARIFF APPLICATION)
FOR AN ANNUAL ADJUSTMENT OF) CASE NO. 9043
CABLE TELEVISION ATTACHMENT)
CHARGES)

ORDER

On April 10, 1984, Louisville Gas and Electric Company ("IG&E") filed a revised tariff increasing the Cable Television Attachment Charges ("CTAC"). The filing was pursuant to a provision for annual adjustment of charges included on sheet 24-A of the CTAC tariff approved in Administrative Case 251-26, The CATV Pole Attachment Tariff of Louisville Gas and Electric Company. On April 27, 1984, the Commission suspended the proposed tariff until October 1, 1984, in order to investigate the reasonableness of the proposed tariff revisions.

In recent months the Commission has reviewed the manner in which charges may be revised outside a general rate case proceeding. Non-recurring charges may now be revised pursuant to a recently approved revision of the Commission's tariffs regulation, 807 KAR 5:011, Section 10. The Commission is of the opinion that recurring charges, such as CTAC, should not routinely be revised outside a general rate case proceeding. Therefore, the tariff provision calling for annual adjustment of CTAC should be eliminated.

The Commission having considered the evidence of record and being advised is of the opinion and finds that:

1. LG&E's proposed rates are fair, just and reasonable.
2. LG&E should eliminate the Annual Adjustment of Charges section of its CTAC tariff.

IT IS THEREFORE ORDERED that the rates proposed by LG&E be and they hereby are approved for service on and after September 1, 1984.

IT IS FURTHER ORDERED that within 30 days from the date of this order LG&E shall file with the Commission its revised tariff sheets setting out the rates approved herein and eliminating the Annual Adjustment of Charges section of its CTAC tariff.

Done at Frankfort, Kentucky, this 30th day of August, 1984.
