#### COMMONWEALTH OF KENTUCKY

#### BEFORE THE PUBLIC SERVICE COMMISSION

\* • \* • \*

In the Matter of:

NOTICE OF ADJUSTMENT OF RATES OF )
SOUTH CENTRAL BELL TELEPHONE ) CASE NO. 9160
COMPANY OF KENTUCKY

#### ORDER

IT IS ORDERED that South Central Bell Telephone Company of Kentucky shall file an original and 15 copies of the following information with the Commission, with a copy to all parties of record, within 3 weeks after the date of this Order. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets is required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to insure that it is legible. information requested herein has been provided along with the original application, in the format requested herein, reference may be made to the specific location of said information in responding to this information request. When applicable, the information requested herein should be provided for total company operations and Kentucky jurisdictional operations, separately. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

- 1. Capital structure at the end of each of the periods as shown in Format 1.
- 2. a. Provide a list of all outstanding issues of long term debt as of the end of the latest calendar year and the end of the test period together with the related information as shown in Format 2a. A separate schedule is to be provided for each time period. Report in Column (k) of Format 2a, Schedule 2 the actual dollar amount of debt cost for the test year. Compute the actual and annualized composite debt cost rates and report them in Column (j) of Format 2a, Schedule 2.
- b. Provide an analysis of end of period short term debt and a calculation of the average and end of period cost rates as shown in Format 2b.
- 3. Provide a list of all outstanding issues of preferred stock as of the end of the latest calendar year and the end of the test period as shown in Format 3. A separate schedule is to be provided for each time period. Report in Column (h) of Format 3, Schedule 2, the actual dollar amount of preferred stock cost accrued and/or paid during the test year. Compute the actual and annualized preferred stock cost rate and report the results in Column (h) of Format 3, Schedule 2.
- 4. a. Provide a listing of all issues of common stock in the primary market during the most recent 10 year period as shown in Format 4a.

- b. Provide the common stock information on a quarterly and yearly basis for the most recent 5 calendar years available, and through the latest available quarter as shown in Format 4b.
- c. Provide monthly market price figures for common stock for each month during the most recent 5 year period and for the months through the date the application is filed as shown in Format 4c. Provide a listing of all stock splits by date and type.
- 5. Provide a computation of fixed charge coverage ratios for the 10 most recent calendar years and for the test year as shown in Format 5.
- 6. a. A schedule of the present and proposed rates, charges, terms and conditions, and service rates and regulations which the applicant seeks to change, shown in comparative form.
- b. A detailed analysis of customers' bills, adjusted to actual usage and in such detail that the revenues from the present and proposed rates can be readily determined.
- c. A schedule of test year revenues for each rate schedule per book rates, present rates annualized, and proposed rates annualized.
- d. A schedule setting forth the effect upon average consumer bills.
- e. A statement setting forth estimates of the effect that the new rate or rates will have upon the revenues of the utility, the total amount of money resulting from the increase or decrease and the percentage increase or decrease.

- f. A schedule showing by service category (i.e., exchange access, private line, toll, etc.) the amount and percent of any proposed increase or decrease in revenue distributed to each category. This schedule is to be accompanied by a statement which explains in detail the methodology or basis used to allocate the requested increase or decrease in revenue to each of the respective service categories.
- g. A schedule showing how the increase or decrease in (f) above was further distributed to each service category (i.e., exchange access, private line, toll, etc.). This schedule is to be accompanied by a statement which explains, in detail, the methodology or basis used to allocate the increase or decrease.
- h. A statement showing by cross-outs and italicized inserts all proposed changes in rates, charges, terms and conditions, and service rules and regulations for each rate or charge. Copy of current tariff may be used. Item 6 should be provided where not previously included in the record.
- 7. In comparative form, a total combined Kentucky company and Kentucky jurisdictional income statement, a statement of changes in financial position, and a balance sheet for the test year and the 12-month period immediately preceding the test year. (On the total company operations income statements show net income.)
- 8. A trial balance as of the last day of the test year (all income statement accounts should show activity for 12 months) showing account number, account title, and amount. Provide this information on a total combined Kentucky company and Kentucky

jurisdictional basis. Show the balance in each control and all underlying subaccounts per company books.

- 9. The balance in each current asset and each current liability account and subaccount included in the applicant's chart of accounts by months for the test year. Additionally show total current assets, total current liabilities and the net current position by months, annually, and the 13-month average for the test year. Provide a reconciliation of current assets, current liabilities and net current position provided in response to the above with the current assets and current liabilities as shown on the balance sheet for each month of the test year. If any amounts were allocated, provide a calculation of the factor used to allocate each amount.
- 10. List each general office account (asset, reserve, and expense accounts) covering the twelve months of the test year applicable to more than one jurisdictional or departmental operation. If any amounts were allocated show a calculation of the factor used to allocate each amount including all applicable workpapers and/or studies during the test period which are the basis of these applications.
- 11. The following monthly account balances and a calculation of the average (thirteen month) account balances for the test year for the total combined Kentucky company and Kentucky jurisdictional operations:
  - a. Plant in service (Account 101.1)
  - b. Plant purchased or sold (Account 277)
  - c. Property held for future use (Account 100.3)

- d. Construction work in progress (Account 100.2) (Separate this balance into CWIP eligible for capitalized interest and other CWIP)
- e. Completed construction not classified
- f. Depreciation reserve (Account 171)
- g. Plant acquisition adjustment (Account 100.4)
- h. Amortization of utility plant acquisition adjustment (Account 172)
- Materials and supplies (include all accounts and subaccounts) (Account 122)
- j. Balance in accounts payable applicable to each account in i above. (If actual is indeterminable, give reasonable estimate.)
- k. Unamortized investment credit Pre-Revenue Act of 1971
- Unamortized investment credit Revenue Act of 1971
- m. Accumulated deferred income taxes
- n. A summary of customer deposits as shown in Format 11n to this request
- Balance in accounts payable applicable to amounts included in utility plant in service. (If actual is indeterminable, give reasonable estimate.)
- p. Balance in accounts payable applicable to amounts included in plant under construction. (If actual is indeterminable, give reasonable estimate.)
- 12. The dollar amount of employee concession telephone service for the 12 months of the test year as shown in Format 12 attached.
- 13. Provide the following information for each item of property held for future use at the end of the test year:
  - a. Decription of property
  - b. Location

. . . . . . \_ \_ \_ \_ \_ \_ \_ .

- c. Date purchased
- d. Cost
- e. Estimated date to be placed in service
- f. Brief description of intended use
- g. Current status of each project
- 14. Schedules in comparative form showing by months for the test year and the year preceding the test year the total Kentucky combined company balance in each plant and reserve account or subaccount and included in the applicant's chart of accounts as shown in Format 14.
- or sale of utility plant acquired as an operating unit or system by purchase, merger, consolidation, liquidation, or otherwise since the inception of the Company. Also, a schedule showing the calculation of the acquisition adjustment at the date of purchase of each item of utility plant, the amortization period, and the unamortized balance at the end of the test year.
- supporting all accounting, pro forma, end of period, and proposed rate adjustments in the rate application to revenue, expense, investment and reserve accounts for the test year and a complete detailed narrative explanation of each adjustment including the reason why each adjustment is required. Explain in detail all components used in each calculation including the methodology employed and all assumptions applied in the derivation of each adjustment. Index each calculation to the accounting, pro forma, end-of-period, and proposed rate adjustment which it supports.

- 17. A schedule showing a comparison of the balance in the total company and Kentucky jurisdictional revenue accounts for each month of the test year to the same month of the preceding year for each revenue account or subaccount included in the applicant's chart of accounts. Include appropriate footnotes to show the month each rate increase was granted and the month the full increase was recorded in the accounts. See Format 14.
- 18. a. A schedule showing a comparison of the balance in the total combined Kentucky company and Kentucky jurisdictional operating expense accounts for each month of the test year to the same month of the preceding year for each account or subaccount included in the applicant's chart of accounts. See Format 14.
- b. A schedule in comparative form showing the total combined Kentucky company and Kentucky jurisdictional operating expense account balance for the test year and each of the 5 years preceding the test year for each account or subaccount included in the applicant's annual report. (FCC Form M, Schedule 35.) Show the percentage of increase of each year over the prior year.
- c. A schedule of total combined Kentucky company and Kentucky jurisdictional salaries and wages for the test year and each of the 5 calendar years preceding the test year in the format as shown in Format 18c to this request. Show for each time period the amount of overtime pay.
- d. A schedule showing the percentage of increase in salaries and wages for both union and non-union employees for the test year and the 5 preceding years.

- 19. Provide the amount of excess deferred federal income taxes resulting from the reduction in the corporate tax rate from 48 percent to 46 percent in 1979, as of the end of the test year.
- 20. The following tax data for the test year for total company and Kentucky jurisdictional operations.
  - a. Income taxes:
  - Federal operating income taxes deferred accelerated tax depreciation;
  - (2) Federal operating income taxes deferred other (explain);
  - (3) Federal income taxes operating;
  - (4) Income Credits resulting from prior deferrals of Federal income taxes;
  - (5) Investment tax credit net;
  - (i) Investment credit realized
  - (ii) Investment credit amortized Pre-Revenue Act of 1971
  - (iii) Investment credit amortized Revenue Act of 1971
    - (6) Provide the information in 20a (1) through 20a (4) for state income taxes;
    - (7) Reconciliation of book to taxable income as shown in Format 20a (7) and a calculation of the book Federal and State income tax expense for the test year using book taxable income as the starting point;
    - (8) A copy of Federal and state income tax returns for the taxable year ended during the test year including supporting schedules;
    - (9) Schedule of franchise fees paid to cities, towns or municipalities during the test year including the basis of these fees;
  - b. An analysis of Kentucky other operating taxes in the format as shown in attached Format 20b.

- 21. A schedule of total combined Kentucky company and Kentucky jurisdictional net operating income per average access line (See Format 22, Schedule 2) per company books for the test year and the 5 calendar years preceding the test year. This data should be provided as shown in Format 21 attached.
- 22. The comparative operating statistics as shown in Format 22 attached.
- 23. A schedule of total company and Kentucky jurisdictional average plant in service per access line by account per company books for the test year and the 5 calendar years preceding the test year. This data should be provided as shown in Format 23 to this request.
- 24. A statement of plant in service per company books for the test year. This data should be presented as shown in Format 24 to this request.
- 25. Provide the following information. If any amounts were allocated, show a calculation of the factor used to allocate each amount.
- a. A detailed analysis of all charges booked during the test period for advertising expenditures. This analysis should include a complete breakdown of Account 642 Advertising as shown in Format 25a attached and further should show any other advertising expenditures included in any other expense accounts. The analysis should be specific as to the purpose of the expenditure and the expected benefit to be derived. Expenses allocated from either the parent company or from affiliated companies should so be identified.

- b. An analysis of Account 675 Other Expenses for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 25b and further provide all detailed working papers supporting this analysis. As a minimum, the work papers should show the date, vendor, reference (i.e. voucher no., etc.), dollar amount and brief description of each expenditure. Detailed analysis is not required for amounts of less than \$500 provided the items are grouped by classes as shown in Format 25b attached.
- Charges for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 25c, and further provide all detailed working papers supporting this analysis. As a minimum the work papers should show the date, vendor, reference (i.e., voucher no, etc.), dollar amount and brief description of each expenditure. Detailed analysis is not required for amounts of less than \$500 provided the items are grouped by classes as shown in Format 25c attached.
- 26. Provide a detailed analysis of expenses incurred during the test year for professional services, as shown in Format 26, and all working papers supporting the analysis. At minimum, the working papers should show the payee, dollar amount, reference (i.e., voucher no., etc.), account charged, hourly rates and time charged to the company according to each invoice, and a description of the service provided.
- 27. A detailed analysis of contributions for charitable and political purposes (in cash or services), if any, recorded in

accounts other than Account 323. This analysis should indicate the amount of the expenditure, the recipient of the contribution and the specific account charge. If amounts are allocated show a calculation of the factor used to allocate each amount and its source.

- 28. a. Provide a statement describing the applicant's lobbying activities and a schedule showing the name of the individual, his salary, his organizations or trade associations involved in and all company-paid or reimbursed expenses or allowances and the account charged for all personnel for whom a principal function is that of lobbying, on the local, state, or national level. If any amounts are allocated, show a calculation of the factor used to allocate each amount.
- 29. Provide the following information with regard to uncollectible accounts for the test year and 5 preceding calendar years (taxable year acceptable) for total Kentucky combined company:
  - a. Reserve account balance at the beginning of the year
  - b. Charges to reserve account (accounts charged off)
  - c. Credits to reserve account
  - d. Current year provision
  - e. Reserve account balance at the end of the year
  - f. Percent of provision to total revenue
- 30. Provide a detailed analysis of the retained earnings account for the test period and the 12 month period immediately preceding the test period.

- 31. a. A listing of non-utility property and property taxes and accounts where amounts are recorded.
- b. A schedule for all non-utility property giving a description, the date purchased and the cost.
  - 32. Rates of return in Format 32 attached.
  - 33. Employee data in Format 33 attached.
- 34. A calculation of the rate or rates used to capitalize interest during construction for the test year and the 3 preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.
- 35. The information as soon as it is known, which would have a material effect on net operating income, rate base, and cost of capital which occurred after the test year and was not incorporated in the filed testimony and exhibits.
- 36. A detailed monthly income statement and balance sheet on a Kentucky combined and Kentucky jurisdictional basis for each month after the test period including the month in which the hearing ends, as they become available.
- 37. Provide the names and mailing addresses of each of the applicant's directors.
- 38. Provide all current labor contracts and the most recent contracts previously in effect.
- 39. A schedule showing the test year and the year preceding the test year with each year shown separately the following information regarding the applicant's investments in subsidiaries and joint ventures:

- a. Name of subsidiary or joint venture
- b. Date of initial investment
- c. Amount and type of investment made for each of the 2 years included in this report.
- d. Balance sheet and income statement for the test year and the year preceding the test year. Where only internal statements are prepared, furnish copies of these.
- e. Show on a separate schedule all dividends or income of any type received by applicant from its subsidiaries or joint ventures for each of the 2 year report periods and indicate how this income is reflected in the reports filed with the Commission and the stockholder reports.
- f. Name of officers of each of the subsidiaries or joint ventures, officer's annual compensation, and portion of compensation charged to the subsidiary or joint venture. Also, indicate the position each officer holds with the applicant and the compensation received from the applicant.
- 40. Additional data relating to affiliated or parent company(s).
- a. Consolidated parent and subsidiaries balance sheet, income statement, and statement of changes in financial position for the test year and the last two calendar years.
- b. Schedule showing balance sheet, income statement, and retained earnings adjusting entries for Kentucky subsidiary in its consolidation with the parent company and affiliated companies.
- c. Schedule of company's home office and/or inter-company charges; monthly for the test year and yearly for the last 2 calendar years. State the type of goods or services provided (i.e., supplies capitalized, data service, management services, etc.). The amount by type from each billing unit and

the method used in billing (i.e., direct or allocated) and basis for allocating common charges.

- d. Schedule of federal income tax reductions due to filing a consolidated parent tax return for the last 2 taxable years. Show source and type of reduction, and method and basis of allocating to companies and states.
- e. Provide a calculation of the average (13-month) and the end-of-period debt and equity ratio and average (13-month) and end-of-period composite interest cost and preferred stock cost for the 12 months of the test period for the parent company and for the consolidated companies including all subsidiaries.
- f. A schedule of sales by affiliated Manufacturing and/or Supply Companies separated into Manufacturing Operations and Supply Operations with a further separation into sales to affiliated System Telephone Companies, Non-affiliated Telephone Companies, all other Sales and total for the calendar year for all years of common affiliation.
- g. A schedule showing for each year in 40f for affiliated Manufacturing and/or Supply Companies the weighted average capitalization ratios, effective debt interest rates and effective preferred stock dividend rates. This schedule should show the actual amounts of the various capital components as well as the ratios.
- h. Net Income as a percent of Sales, Return on Average Investment, and Return on Average Common Equity for sales to affiliated telephone companies and on sales to non-affiliated telephone companies separately for manufactured products and

separately for items purchased for resale for the calendar years used in 40f. Also provide details for the rate of return calculations.

- i. On sales to the Kentucky operating telephone company used in 40f, separate purchases from the manufacturing operation into amounts capitalized and amounts expensed and from the supply operation into amounts capitalized and amounts expensed.
- j. A schedule showing the dollar amount of gross additions by major plant accounts and the percent and dollar amounts surviving at the end of test year, for each of the years used in 40f. A second part of this schedule should show the dollar and percent of equivalent amounts of depreciation reserve at the end of the test year, applicable to the surviving capitalized purchased.
  - 41. The most recent available Embedded Direct Analysis.
- 42. a. Explanation, with copies of appropriate supporting material, of the separation procedures and all factors used to arrive at the test period Kentucky intrastate portions of revenues, investment, expenses, taxes, reserves and any other items applicable to the case. Include discussions on cost studies which are used and periods for which studies were made. (Provide summary sheets from appropriate studies.)
- b. A listing in comparative form of the following factors used in the cost separations studies for the last 4 calendar years preceding the test period and for the test period

year (provide interstate toll, intrastate toll and intrastate local factors where applicable):

- (1) Subscriber line usage factors
- (2) Subscriber plant factors
- (3) Composite station ratios
- (4) Conversation-minute-miles factors
- (5) Dial equipment minutes-of-use factors (composite for all offices)
- (6) Traffic unit factors (composite for all toll centers)
- (7) Holding time minutes-of-use
  Give the dates of the traffic studies from
  which the test period factors were obtained.
  Include a statement as to whether these
  factors are final or will be revised should
  subsequent studies prior to the hearing date
  show changes in them.
- c. A breakdown by dollar amounts of the Kentucky intrastate toll revenues for the test period into their major class of toll service-message toll including WATS, private line, foreign exchange, and any other items contributing to the intrastate toll revenues.
- 43. a. An exhibit showing the status of all intrastate toll settlements which all connnecting companies, including non-regulated companies, that were pending at the beginning and at the end of the test period that would affect the test period intrastate toll revenues. For actual cost and Division of Revenues companies, indicate by company what year cost study or portion of year cost study is presently being used for toll settlements and the finality of the settlements with regard to the test period. For standard contract companies explain how

Kentucky intrastate portions of the settlements are determined. For settlements that are not final, indicate the expected amounts and the expected dates they will be finanlized. These amounts are to be reconciled with book entries including amounts accrued for future settlement adjustments.

- b. Explanations of projected growth in intrastate toll revenues in terms of projected growth in settlements with all connecting companies as a group and of projected growth in total billed toll revenues and messages for all companies combined including South Central Bell.
- c. An itemized accounting of all of the Kentucky intrastate toll revenues for the test period including the toll revenues of South Central Bell and all connecting companies. A detailed statement shall be supplied giving the money amounts by dates that have been exchanged between South Central Bell and each connecting company including when settlement amounts were or will be finalized.
- d. The estimated changes in toll revenue or toll compensation based on the interim access charge plan or other Orders from this Commission in Case No. 8838.
- 44. a. Written explanation of all pro forma adjustments made to normalize the test period intrastate toll revenues such as those caused by settlement contract changes and separation procedure changes that may affect such items as the intrastate toll rate of return used in computing toll settlements for actual cost and Division of Revenues companies.

- b. Any other information the applicant deems necessary to explain the debits and credits to its toll revenues in order to normalize its intrastate toll revenues for the test period.
- 45. Provide a full description of the methodology used in total factor productivity studies by South Central Bell. Moreover, provide the annual factors for the total company Kentucky combined and Kentucky-intrastate operations for the test period and the preceding 5 years.
- 46. The amount of expenses included in the Kentucky intrastate test period operating expenses for each Kentucky general rate case by case number as set out below. Moreover, provide the total Kentucky-intrastate expenditures to date for each of the five previous rate cases before this Commission, as follows:

Legal All External Internal Costs Costs Total
