

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

\* \* \* \* \*

In the Matter of:

THE NOTICE OF PURCHASED GAS            )  
ADJUSTMENT FILING OF WESTERN        )    CASE NO. 8839-R  
KENTUCKY GAS COMPANY                    )

O R D E R

On August 26, 1985, the Commission issued an Order in this case approving a purchased gas adjustment proposal originally requested by Western Kentucky Gas Company ("Western"). Western had filed its application on August 7, 1985, to reflect a wholesale cost of gas decrease by one of its gas suppliers, Tennessee Gas Pipeline Company ("Tennessee Gas").

On August 29, 1985, the Commission received a letter from Western's Vice President of Engineering, Mr. T. E. Brady, dated August 28, 1985, notifying the Commission that it was withdrawing its PGA filing in this case because Tennessee Gas had similarly withdrawn its request to increase its wholesale gas rates before the Federal Energy Regulatory Commission.

The Commission finds that the August 28 letter should be treated as a Motion to Withdraw.

IT IS THEREFORE ORDERED that Western's Motion to Withdraw its proposed PGA in Case No. 8839-R be and it hereby is sustained.

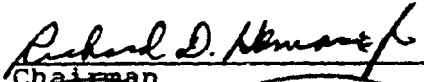

IT IS FURTHER ORDERED that the Order of August 26, 1985, in this case be and it hereby is rescinded.

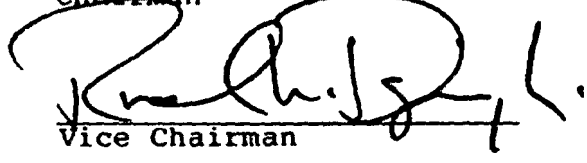

IT IS FURTHER ORDERED that Western's rates shall be the same as those rates applicable in retail billings previously approved in Case No. 8839-Q.

IT IS FURTHER ORDERED that this case be and it hereby is closed.

Done at Frankfort, Kentucky, this 5th day of September, 1985.
