In the Matter of:

PURCHASED GAS ADJUSTMENT )  
FILING OF THE UNION LIGHT, ) CASE NO. 9029-D  
HEAT AND POWER COMPANY )

O R D E R

On October 24, 1984, the Commission issued its Order in Case No. 9029, approving certain rates and providing for adjustments of these rates on a quarterly basis in accordance with the provisions of the gas cost adjustment clause set forth therein.

On September 3, 1985, The Union Light, Heat and Power Company ("Union") filed its revised quarterly gas cost adjustment which is to become effective October 1, 1985, and is to remain in effect until December 31, 1985.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Union's notice of September 3, 1985, set out certain revisions in rates which Union proposed to place into effect, said rates being designed to pass on the wholesale net increase in gas costs from its suppliers in the amount of \$1,161,905 or 11.1 cents per Mcf.

(2) Union's notice set out a total refund adjustment of 5 cents per Mcf, replacing the previous adjustment of 5.9 cents

per Mcf. No supplier refunds were received for the current quarter.

(3) Union's notice set out a total actual adjustment of 2.4 cents per Mcf to compensate for previous over-recovery of gas cost by the company through the operation of its gas cost recovery procedure.

(4) Union's notice set out a balance adjustment of 16.3 cents per Mcf to compensate for over- and under-collections which occurred as a result of previous gas cost, refund and balance adjustments.

(5) Union's gas cost recovery rate for exempt customers in the amount of \$4.120 per Mcf is an increase of \$0.282 per Mcf from the previously authorized rate. This increase represents the combined effect of the supplier, actual and balancing adjustments.

(6) Union's adjustment in rates set out in the Appendix to this Order is fair, just and reasonable and in the public interest and should be effective with bills rendered on and after October 1, 1985, or as soon as practicable thereafter.

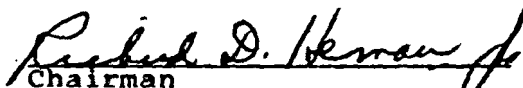

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with bills rendered on and after October 1, 1985, or as soon as practicable thereafter.

IT IS FURTHER ORDERED that the gas cost recovery rate for exempt customers shall be \$4.120 per Mcf.

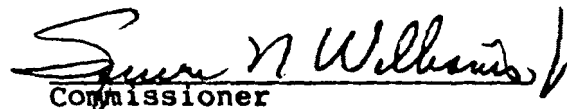

IT IS FURTHER ORDERED that within 30 days of the date of this Order, Union shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 13th day of September, 1985.
