CASE NO. 9419

O R D E R

IT IS HEREBY ORDERED that Harvel H. Escue, d/b/a Page Call ("Page Call") shall file the original and 10 copies of the following information, with a copy to all parties of record, within 3 weeks of the date of this Order. If neither the requested information nor a motion for extension of time is filed by the stated date, the Commission may dismiss the case without prejudice.

1. Will all customers in the currently certificated area and in the proposed area be served under the same tariff? If not, explain why.

2. Provide a schedule of current and proposed rates in comparative form. Where differences occur in services and/or rates, provide explanations as follows:

(a) If all customers are to be served under the same tariff, designate the correct rate proposed to be charged and explain the reason for any changes from the current tariff.

(b) If customers in the proposed area are to be served under a different tariff, explain why the rates and/or service should be different.

3. Provide a billing analysis for a 1-month period, based on customers being served at the time of filing, showing the number of customer billings applicable to each rate element and the revenue which would be generated from both current and proposed rates.

4. Provide a similar billing analysis for new customers anticipated to be served within 1 year after initiation of service in the area proposed to be certified.

5. Provide a detailed income statement for the 12-month period ending August 31, 1985, for Page Call's existing operations.

6. Page Call estimated that 1 percent of the population in the new service area would subscribe to its paging service. Provide any studies or assumption which Page Call relied on in the calculation of this estimate.

7. Provide an estimate and proper documentation (working papers, assumptions, etc.) of the revenues and expenses which Page

Call expects to incur due to its proposed two-way mobile telephone service.

8. Provide detailed explanations of the following proposed expenses:

Engineering	\$1,800
Legal Fees	\$1,200

9. Provide the documentation upon which Page Call relied in calculating its proposed expenses.

Done at Frankfort, Kentucky, this 9th day of December, 1985.
