O R D E R

On February 18, 1986, Christian County Water District ("Christian County") by letter from its consulting engineer, J. T. Blankinship and Associates, requested approval to construct additional waterworks facilities as part of Case No. 8664. Financing for the proposed construction is from leftover grant funds from the original project.

The Commission will consider Christian County's letter as a motion to reopen Case No. 8664 to consider the merits of the proposal.

IT IS THEREFORE ORDERED that Christian County's motion filed on February 18, 1986, be and it hereby is accepted for filing and that Case No. 8664 be reopened to consider the merits of the proposal.

IT IS FURTHER ORDERED that Christian County shall file an original and seven copies of the following information with the Commission with a copy to all parties of record by March 28, 1986. If the information requested or a motion for an extension of time is not filed by the stated date, the Commission may dismiss the case without prejudice.

1. Provide a breakdown of the estimated total project cost for the proposed construction.

2. Provide a breakdown of the source of funds to be used to finance the proposed construction.

3. Provide a copy of the bid tabulation for the proposed construction (when available).

4. Provide a breakdown of the total project cost for the proposed construction based on actual bids received (when available).

5. Provide a copy of the preliminary approval from the Division of Water for the proposed construction.

Done at Frankfort, Kentucky, this 7th day of March, 1986.
