In the Matter of:

PURCHASED GAS ADJUSTMENT )  
FILING OF THE UNION LIGHT, ) CASE NO. 9029-F AMENDED  
HEAT AND POWER COMPANY )

O R D E R

On October 24, 1984, the Commission issued its Order in Case No. 9029, approving certain rates and providing for adjustments of these rates on a quarterly basis in accordance with the provisions of the gas cost adjustment clause set forth therein.

On March 3, 1986, The Union Light, Heat and Power Company, ("Union") filed its amended revised quarterly gas cost adjustment which is to become effective April 1, 1986, and is to remain in effect until June 30, 1986.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Union's notice of March 27, 1986, set out certain revisions in rates which Union proposed to place into effect, said rates being designed to pass on the wholesale net decrease in gas

costs from its suppliers in the amount of \$1,100,608 or 11.1 cents per Mcf; this decrease has occurred since Union's first application in this case.

(2) Union's notice set out a total refund adjustment, actual adjustment and balance adjustment which were in compliance with and identical to those allowed in the previous Order of the Commission in this case.

(3) Union's gas cost recovery rate for exempt customers in the amount of \$4.284 per Mcf is a decrease of \$0.111 per Mcf from the previously authorized rate in the first Order in this case. This decrease represents the decrease in expected gas cost from Union's suppliers.

(4) Union's adjustment in rates set out in the Appendix to this Order is fair, just and reasonable and in the public interest and should be effective with bills rendered on and after April 1, 1986, or as soon as practicable thereafter.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix to this Order be and they hereby are authorized effective with bills rendered on and after April 1, 1986, or as soon as practicable thereafter.

(2) The gas cost recovery rate for exempt customers shall be \$4.284 per Mcf.

(3) Within 30 days of the date of this Order Union shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 2nd day of April, 1986.
