O R D E R

On March 13, 1986, the Commission entered its Order requesting information pertaining to Lake Village Water Association's ("Lake Village's") participation in the Water Loss Demonstration Project ("Demonstration"). On March 26, 1986, Lake Village requested an extension of time until September 15, 1986, to file the requested information. Lake Village stated that it is presently engaged in a substantial construction project which will be completed by July 1, 1986, and that any water loss analysis at this time would be invalid. Based on Lake Village's request, the Commission hereby finds that good cause exists to grant an extension of time to file the information requested.

IT IS THEREFORE ORDERED that Lake Village's motion for an extension of time until September 15, 1986, to file the previously requested information be granted.

Done at Frankfort, Kentucky, this 8th day of May, 1986.
