O R D E R

On March 28, 1986, Southern Madison Water District ("Southern Madison"), by counsel, filed a Motion to Dismiss Without Prejudice for Time to Secure Construction Bid Tabulations, being unable to complete its case within the permitted statutory period.

After review of the record, and being advised, the Commission FINDS that:

(1) The proposed rates are based, in large part, on the proposed construction project.

(2) The bid tabulations on the construction project and the public hearing on the application cannot be completed within the 10-month time frame provided by statute to decide rate cases.

(3) The case should be dismissed without prejudice for lack of timely filing of needed information.

(4) Upon satisfactory completion of its FmHa filing requirements, including authorization to bid on the construction project, Southern Madison may file a motion to reopen this case and seek a Commission Order based on facts already in the record, along with the bid tabulations.

IT IS THEREFORE ORDERED that:

(1) Southern Madison's application be and it hereby is dismissed without prejudice.

(2) Southern Madison may file a motion to reopen this case once it has met the necessary FmHA filing requirements to advertise for bids on proposed construction projects.

Done at Frankfort, Kentucky, this 7th day of April, 1986.
