O R D E R

On October 9, 1985, Multi-Page, Inc., ("Multi-Page") submitted a supplemental filing in this case. On November 27, 1985, the Commission requested information which was submitted on December 18, 1985. The financial information presented by Multi-Page is unclear and on January 16, 1985, staff inquiry was made by telephone with Multi-Page to clarify the financial data. The Commission finds that in order to complete the record in this case, the following concerns should be addressed:

(1) Exhibit C, page 4, of the supplemental filing and Exhibit 6 of the response to the Order of the Commission dated

November 27, 1985, represents a balance sheet inclusive of revenues and expenses which would appear to be inappropriate.

(2) Exhibit A, page 2, of the supplemental filing depicts an equity and liability section of a balance sheet; however, the corresponding asset section was not provided.

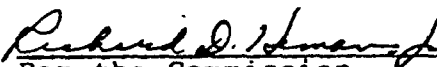

(3) In its response, an income statement was presented as Exhibit 5, which is not representative of an income statement.

Multi-Page should provide the asset section of the balance sheet and an income statement for the period to coincide with the equity and liability section of the balance sheet which was presented as Exhibit A, page 2, of the supplemental filing.

IT IS THEREFORE ORDERED that Multi-Page shall file an original and 10 copies of the above information within 2 weeks of the date of this Order. If the requested information or a motion for extension of time is not filed by the stated date, the case may be dismissed without prejudice.

Done at Frankfort, Kentucky, this 29th day of January, 1986.
