In the Matter of:

NATIONAL SOUTHWIRE ALUMINUM COMPANY)
VS.) CASE NO. 9437
BIG RIVERS ELECTRIC CORPORATION)
AND GREEN RIVER ELECTRIC CORPORATION)

O R D E R

On January 30, 1986, the Commission received a letter from counsel for National Southwire Aluminum Co. ("NSA") advising that settlement discussions were being held with Big Rivers Electric Corporation ("Big Rivers") in an attempt to resolve NSA's complaint as to Big Rivers' rates. In an effort to facilitate the ongoing discussions NSA requested that the modified procedural schedule adopted for this complaint case be deferred for a period of 30 days. NSA further stated that it intends to respond by February 14, 1986, to a pending motion to strike and an objection to a request for information filed by Alcan Aluminum Corporation.

On February 3, 1986, Big Rivers filed a motion requesting an extension to February 28, 1986, to respond to Alcan's motion to strike; and Alcan filed a letter indicating concurrence with the deferral of the procedural schedule.

Based on the motion, the requests of the parties and being advised, the Commission is of the opinion and hereby finds

that the modified procedure schedule set forth in Appendix A to the Commission's Order entered December 30, 1985, should be further modified to allow the parties 30 days to conduct settlement discussions. The Commission further finds that good cause exists for granting an extension of time for responding to Alcan's motion to strike and its objection to a request for information.

IT IS THEREFORE ORDERED that the procedural schedule set forth in Appendix A to the Commission's Order entered December 30, 1985, be and it hereby is modified as set forth in Appendix A hereto.

Done at Frankfort, Kentucky, this 6th day of February, 1986.
