O R D E R

On November 19, 1985, Delong Electronics ("Delong") filed its application for a certificate of convenience and necessity to operate as a radiotelephone utility providing paging service in the Johnson County-Paintsville, Kentucky, area.

On November 25, 1985, the Commission issued a letter requesting additional information concerning Item 2 (g) which was deficient in the initial filing and was due December 20, 1985. Three reminder letters were issued on January 21, February 24 and May 6, 1986. Delong has failed to supply the information requested by the Commission regarding Item 2 (g), thereby causing a delay in the Commission's decision.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Delong has had every opportunity to file the information that was necessary for the Commission to make a decision on this case; and

(2) Due to lack of action by Delong, this case should be dismissed.

IT IS THEREFORE ORDERED that this case be and it hereby is dismissed.

Done at Frankfort, Kentucky, this 29th day of May, 1986.
