CASE NO.
9567

O R D E R

On April 24, 1986, Jessamine County Water District No. 1 ("Jessamine County") filed a letter, which the Commission will treat as a Motion, to reopen Case No. 9277, wherein it had sought Commission approval for certain construction of new plant facilities, proposed plan of financing and proposed rates.

The Commission entered an Order on December 9, 1985, to dismiss the case without prejudice because Jessamine County had not submitted, and could not submit, sufficient documentation to support its case within the statutory 10-month time frame allowed the Commission to decide rate cases. The Commission did allow Jessamine County to refile when it had completed its construction bid tabulations.

The Commission is of the opinion and FINDS that:

1. Jessamine County has now completed its bid tabulations and its Motion should be allowed except that instead of reopening Case No. 9277, a new case should be established and the entire record of Case No. 9277 should be incorporated therein by reference.

2. A hearing should be held to hear testimony and consider other evidence on the proposed construction, financing and rates.

IT IS THEREFORE ORDERED that:

1. The Motion of Jessamine County filed on April 24, 1986, be and it hereby is accepted for filing and this case is established to consider the merits of the proposal.

2. The entire record in Case No. 9277 be and it hereby is incorporated herein by reference.

3. A hearing be and it hereby is scheduled on May 28, 1986, at 9:00 a.m., Eastern Daylight Time, in the Commission's Offices, Frankfort, Kentucky.

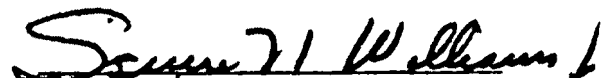

4. Jessamine County shall given notice of the hearing in accordance with the provisions of in 807 KAR 5:011, Section 8(5).

Done at Frankfort, Kentucky, this 2nd day of May, 1986.
