

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HENDERSON COUNTY )  
WATER DISTRICT, OF HENDERSON AND )  
WEBSTER COUNTIES, KENTUCKY, FOR ) CASE NO. 9577  
APPROVAL OF CONSTRUCTION, FINANCING )  
AND INCREASED WATER RATES )

O R D E R

On February 19, 1986, Henderson County Water District ("Henderson"), by counsel, filed its Motion to Reopen Case No. 9237, wherein it had sought Commission approval for certain construction and extensions of its existing water distribution system, proposed financing and proposed rates. Henderson also requested a hearing date and a change of the style in this case.

The Commission entered an Order October 7, 1985, to dismiss Case No. 9237 without prejudice because Henderson had not submitted, and could not submit, sufficient documentation to support its case within the statutory 10-month time frame. The Commission did allow Henderson to refile when it met the necessary filing requirements set out in our regulations and responded to outstanding information requests in Case No. 9237.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Henderson's Motion regarding reopening should be allowed, except that instead of reopening Case No. 9237, a new case should be established and the entire record of Case No. 9237 should be incorporated therein by reference.

(2) The Commission cannot set a hearing date in this case until further review of the application.

(3) Henderson's Motion regarding changing the style in this case will be granted and will be the same style as in this Order.

IT IS THEREFORE ORDERED that:

(1) A new case should be established and the entire record of Case No. 9237 should be incorporated therein by reference.

(2) Henderson's case style will be the same as in this Order.

Done at Frankfort, Kentucky, this 15th day of May, 1986.
