O R D E R

Under the provisions of Kentucky Public Service Commission Regulation 807 KAR 5:056 (12), an in-depth review of fuel adjustment clause charges is to be held every 2 years. The purpose of this review is to evaluate past operation of the clause, disallow improper expenses and to the extent appropriate reestablish the fuel clause charge in accordance with Subsection (2) of the Regulation.

The Public Service Commission ("Commission") has determined that the evidence of record included in the three previous fuel adjustment cases (Case Nos. 9189-A, 9189-B and 9189-C) established pursuant to 807 KAR 5:056, Section 1(11), is essential to the consideration of this case. However, the refileing of that evidence in this case would be duplicative, expensive and time-consuming and to the ultimate detriment of the ratepayer. Accordingly, the Commission is of the opinion and finds that the most expeditious procedure is to incorporate the record of the

three previous fuel adjustment cases into this case by reference.

IT IS THEREFORE ORDERED that:

(1) The evidence of record in the three previous fuel adjustment cases instituted pursuant to 807 KAR 5:056, Section 1(11), (Case Nos. 9189-A, 9189-B and 9189-C) be and they hereby are incorporated into the record of this case by reference.

(2) Pursuant to 807 KAR 5:056, Section 1(11) and (12), Jackson County Rural Electric Cooperative Corporation ("Jackson County") shall appear at the Commission's offices in Frankfort, Kentucky, on February 10, 1987, at 9:00 a.m., Eastern Standard Time, for the purpose of examining the application of the Fuel Adjustment Clause from November 1, 1984, to October 31, 1986.

(3) Jackson County shall give proper notice to its customers of the date, time, place, and purpose of the hearing.

(4) Jackson County shall prefile with this Commission on or before December 12, 1986, an affidavit(s) as to compliance or noncompliance with the requirements of 807 KAR 5:056.

(5) Jackson County shall not be required to appear at the hearing unless an appearance is requested by the Attorney General's Division of Consumer Intervention or other interested parties, or unless the Commission on its own motion so orders.

(6) Jackson County shall file an original and six copies of the information requested in Appendix A with the Commission by December 12, 1986. Each copy of the data requested shall be placed in a bound volume with each item tabbed. When a number of sheets is required for an item, each sheet should be appropriately
