O R D E R

IT IS ORDERED that AT&T Communications of the South Central States shall file an original and ten copies of the following information with the Commission. The information requested herein is due no later than July 31, 1987. If the information cannot be provided by this date, you should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. Provide a description of Megacom/Megacom 800 service similar to a presentation that would be given to a prospective customer. Provide copies of any applicable sales literature.

2. Provide an analysis showing the minimum usage required in order for this service to be more economical than traditional WATS. This minimum usage will vary depending on variables such as

the cost of access to a MEGACOM Service Central Office, however, reasonable assumptions can be made.

3. Provide a detailed derivation of amounts contained in the "Estimated Annual Impact" previously filed. The derivation is to include the number of estimated units applied to each separate rate element used.

Done at Frankfort, Kentucky, this 17th day of July, 1987.
