On August 4, 1987, AT&T Communications of the South Central States, Inc., ("AT&T") by counsel, filed a petition for confidential treatment of its responses to questions 2 and 3 of the Commission's Information Request. The Company asserts that this information is unique to AT&T and is competitively significant.

The Commission, being so advised, finds that the petition for confidential treatment pursuant to 807 KAR 5:001, Section 7, should be granted for the reasons stated in the petition.
