

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

FLEMING-MASON RURAL ELECTRIC)	
COOPERATIVE CORPORATION'S)	
PROPOSED TARIFF FILING RATE)	CASE NO. 10068
SCHEDULES LIS 1 AND LIS 2,)	
LARGE INDUSTRIAL SERVICE)	

O R D E R

On October 27, 1987, Fleming-Mason Rural Electric Cooperative Corporation ("Fleming-Mason") filed a proposed tariff to add new rate schedules, Large Industrial Service 1 and Large Industrial Service 2. The tariff sheet reflects November 16, 1987, as the effective date for proposed rates. The Commission found that such date did not allow for the 30-day statutory notice that is required by KRS 278.180 before rates can become effective. Taking this into consideration, this would make November 26, 1987, the effective date for the proposed tariffs.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Further investigation will be necessary to determine the reasonableness of the proposed tariff; however, an investigation cannot be completed prior to the effective date of November 26, 1987.

IT IS THEREFORE ORDERED that:

1. The proposed tariff be and it hereby is suspended for 5 months after November 26, 1987. The pages of the tariff hereby suspended are Original Sheet No. 8 and Original Sheet No. 9.

Done at Frankfort, Kentucky, this 25th day of November, 1987.
