

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION INTO THE ECONOMIC) ADMINISTRATIVE CASE
FEASIBILITY OF PROVIDING LOCAL MEASURED) NO. 285
SERVICE TELEPHONE RATES IN KENTUCKY)

O R D E R

On October 18, 1988, Lexington Fayette Urban County Government ("LFUGC"), by counsel, filed two motions with the Commission. First, LFUGC motioned the Commission for leave to file a motion for full intervention and, second, LFUGC motioned for full intervention.

In support of its first motion, LFUGC stated that it inadvertently failed to intervene when this proceeding was initiated in 1984 and that its intervention at this time would not result in any change to a procedural schedule and would not delay the outcome of the proceeding.

In support of its second motion, LFUGC contends that it has an interest in the rates charged by the local telephone company in its county both as a ratepayer and as the local government of other ratepayers.

The Commission, having considered the motions and being advised, is of the opinion and finds that both motions should be granted.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 25th day of October, 1988.
