In the Matter of:

WATER DISTRICT, OF ELLIOT COUNTY,)
KENTUCKY, FOR APPROVAL OF) CASE NO. 9768
CONSTRUCTION, FINANCE AND INCREASED)
RATES)

AMENDED ORDER

On May 18, 1988, an Order was issued in the above styled case. Attached to that Order was Appendix A containing the rates and charges prescribed for the customers in the area served by Sandy Hook Water District effective the date of the Order. Inadvertently, connection charges were omitted from this schedule.

Sandy Hook Water District proposed to increase the connection charge for 5/8 inch x 3/4 inch meter from \$300 to \$400, and to charge for all other connections at actual cost.

The Commission finds these adjustments to be fair, just and reasonable.

IT IS THEREFORE ORDERED that:

1. The rates and charges in Appendix A are the fair, just and reasonable rates and charges to be charged by Sandy Hook on and after the date of this Order.

2. Within 30 days of the date of this Order Sandy Hook shall file with this Commission its revised tariff setting out the rates approved herein.

Done at Frankfort, Kentucky, this 2nd day of June, 1988.
