

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF MT. OLIVET)
NATURAL GAS COMPANY, INC.) CASE NO. 9918-T

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 7, 1988, Mt. Olivet Natural Gas Company, Inc., ("Mt. Olivet") notified the Commission that it will receive an increase in rates from its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective November 1, 1988, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Mt. Olivet's notice of October 7, 1988 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale increase in gas cost from its supplier in the amount of \$8,586 or 26.23 cents per Mcf.

(2) Transmission filed revised rates with the FERC to be effective November 1, 1988. These rates are subject to refund.

(3) A legislative change in KRS Chapter 278, effective July 15, 1986, requires 30-days' notice of a change in rates with the Commission having the discretion to shorten the required period to 20 days upon showing of good cause. Reduction in rates will, as always, be made effective with the date of the supplier decrease. Increases in rates will be effective with 20-days' notice providing that: 1) the effective date from the supplier is not more than 20 days in the future, in which case the actual effective date will be used, and 2) the company has included in its filing a specific request that a tariff sheet or some other notification from the supplier be considered a showing of good cause for 20-days' notice. Mt. Olivet included a request for a showing of good cause for 20-days' notice. The effective date will, therefore, be the actual effective date, November 1, 1988.

(4) Mt. Olivet's adjustments in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 are fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after November 1, 1988.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after November 1, 1988.

(2) Within 30 days of the date of this Order Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 13th day of October, 1988.
