

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF WESTERN MASON COUNTY)
WATER DISTRICT FOR A DEVIATION FROM THE) CASE NO. 10070
WATER STORAGE REQUIREMENTS)

O R D E R

By letter received October 28, 1987, Western Mason County Water District ("Western Mason") requested a deviation from 807 KAR 5:066, Section 5(4) which requires a utility to provide water storage to insure a minimum of one day's supply of its average daily water usage.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that Western Mason is in process of obtaining a loan from Farmers Home Administration to upgrade its water distribution system and construct two water storage tanks to meet one day's storage requirements. Western Mason's letter also stated that the proposal and specification will be submitted to the Commission in the near future.

IT IS THEREFORE ORDERED that:

1. Western Mason be and it hereby granted a deviation from 807 KAR 5:066, Section 5(4) until July 1, 1990.
2. Western Mason shall take all necessary actions to bring its water storage facilities within compliance of the Commission regulations prior to the expiration date of the deviation herein granted.

Done at Frankfort, Kentucky, this 3rd day of March, 1988.
