O R D E R

IT IS ORDERED that Salt River Rural Electric Cooperative Corporation ("Salt River") shall file an original and 3 copies of the following information with this Commission, with a copy to all parties of record. Careful attention should be given to copied material to insure that it is legible. The information requested herein is due no later than February 16, 1988. If the information cannot be provided by this date, you should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

Information Request No. 2

1. Prior to 1985, upon what basis were meters read?
2. Provide the distribution of hours for system meter reading for the period 1979 through 1984, as in Attachment A of Salt River's response to the Commission's Information Request No. 1.
3. Provide the annual cost by department or employee group for system meter reading for the period 1979 through 1984.

4. If Salt River is allowed to read meters once every 3 years, what will be the distribution of hours as in Attachment A?

5. What is the estimated annual cost for reading meters once every 3 years? Include workpapers.

6. Provide the following information related to the annual meter reading program for 1985, 1986, and 1987. This information should be provided as it relates to the annual system meter reading program only. The costs and hours for meter reading as a result of a change in status at the meter location, internal policy or for other reasons outside the annual program should be shown separately.
