

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF THE KENTUCKY )  
INTRASTATE RATES OF SOUTH CENTRAL ) CASE NO. 10105  
BELL TELEPHONE COMPANY, INC. )

O R D E R

On January 20, 1988, South Central Bell Telephone Company, Inc., ("SCB") filed its response to the Commission's December 16, 1987, Order. Accompanying the response was a Petition for Confidential Treatment of pages 92 and 93 of Exhibit A (Item 2), worksheets which detail revenues and expenses associated with BellSouth Advertising and Publishing Corporation operations in Kentucky. In support of its petition, SCB claims that the analysis of the data is unique to SCB, that the data is competitively significant, and that the information is not known outside SCB nor is it disseminated within SCB.

On March 4, 1988, the Attorney General, by his Utility and Rate Intervention Division ("AG"), filed a Motion for Extension of Time to and including March 16, 1988, to file the initial data requests. The AG's motion also included requests for other changes to the procedural schedule. These requests will be addressed in the near future.

The Commission having considered the Motions and being advised, is of the opinion and finds that:

1. SCB's Petition for Confidential Treatment of pages 92 and 93 of Exhibit A (Item 2), filed January 20, 1988, should be granted.

2. The AG's Motion for Extension of Time to and including March 16, 1988, to file the initial data request should be granted and the extension should also be applicable to all other parties.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 11th day of March, 1988.
