

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES OF GTE SOUTH, )  
INCORPORATED ) CASE NO. 10117

O R D E R

On December 30, 1987, GTE South, Incorporated, ("GTE") filed its notice of intent to file a general rate case within 4 weeks. On January 29, 1988, GTE did file its application for adjustment of rates.

On January 5, 1988, the Attorney General of the Commonwealth of Kentucky through his Utility and Rate Intervention Division ("AG") filed a motion for full intervention. The Commission granted the motion on January 7, 1988. On February 10, 1988, the Lexington-Fayette Urban County Government, through counsel, filed a motion for intervention. The motion was granted on February 19, 1988. On February 23, 1988, AT&T Communications of the South Central States, Inc., through counsel, filed a motion for intervention. The motion was granted on February 25, 1988. On February 29, 1988, MCI Telecommunications Corporation filed a Motion to Intervene which was granted on March 1, 1988.

On February 3, 1988, the AG filed a letter requesting that the procedural order reflect the scheduling of the negotiation conference prior to the filing of intervenor testimony. The AG cited the work and expense involved in testimony covering issues

which may eventually be settled. However, the Commission is of the opinion that the record in this case should be substantially completed prior to negotiating and that intervenor testimony is a fundamental and necessary component of the record.

On February 12, 1988, counsel for staff and parties of record as of that date met in an informal conference to discuss the procedure schedule for the remainder of the suspension period. The attached Appendix reflects the discussions at that informal conference.

The Commission, being advised, is of the opinion that the attached Appendix sets forth a procedural schedule which should be adopted for the instant case.

IT IS THEREFORE ORDERED that the attached Appendix be adopted as the schedule for the remainder of the suspension period.

Done at Frankfort, Kentucky this 1st day of March, 1988.
