

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES OF GTE SOUTH, )  
INCORPORATED ) CASE NO. 10117

O R D E R

On February 5, 1988, GTE South, Incorporated ("GTE") filed proposed tariffs with the Public Service Commission ("Commission") to be effective March 7, 1988, reflecting changes in its custom calling services as follows:

1. Rename the existing custom calling service;
2. Revise certain monthly rates for single features;
3. Grandfather existing package rates; and
4. Establish three package feature offerings.

On February 18, 1988, the Utility and Rate Intervention Division of the Office of the Attorney General ("Attorney General") filed a letter setting forth objections to the tariff and requesting that the tariff be returned as deficient or treated as a rate application.

The Commission is of the opinion and finds that further investigation and possible hearing will be necessary to determine the reasonableness of the proposed tariff. However, the investigation and hearing cannot be completed prior to the proposed effective date.

The Commission further finds that the proposed rate adjustments associated with the custom calling services tariff should be addressed in the instant case along with all other proposed adjustments to rates. The close proximity of the general rate application to the custom calling services tariff filing, as well as the revenue impact associated with the proposed custom calling tariff, make incorporation of the tariff filing into Case No. 10117 a reasonable decision.

IT IS THEREFORE ORDERED that:

1. The proposed tariff be and hereby is suspended until August 1, 1988, the same period as the tariffs in the general rate application. The pages of the tariff hereby suspended are:

Index, Third Revised Page 2, cancelling Second Revised Page 2.

2. The proposed tariff be and hereby is incorporated into Case No. 10117, for the reasons stated above.

Done at Frankfort, Kentucky, this 4th day of March, 1988.
