O R D E R

On April 7, 1988, The Union Light Heat and Power Company ("ULH&P") filed its application for Commission approval to revise certain territorial boundaries with Owen County Rural Electric Cooperative Corporation. Each of the boundary changes were made pursuant to a contract in accordance with KRS 278.018. ULH&P claims that each boundary revision is within an individual development and is intended to promote more efficient and manageable service areas. ULH&P also filed a Motion to consolidate these applications into one docket.

The Commission finds that a case should be established to investigate ULH&P's applications, and that the Motion to consolidate should be granted.

BE IT SO ORDERED.
