

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION FOR RATE ADJUSTMENT BY)
AT&T COMMUNICATIONS OF THE SOUTH) CASE NO. 10221
CENTRAL STATES, INC.)

O R D E R

On May 2, 1988, AT&T Communications of the South Central States, Inc. ("AT&T") filed an application for adjustment of rates by Petition. On May 16, 1988, US Sprint Communications Company ("US Sprint") filed a Motion for intervention. The Motion was granted on May 17, 1988. Also, on May 17, 1988, AT&T filed a Motion to amend its application. The Motion was granted on June 1, 1988. Also, on June 1, 1988, the Commission granted AT&T interim authority to implement rates as filed in its amended application, pending further investigation. Subsequently, on July 29, 1988, the Commission entered a schedule of procedure to guide the investigation. On its own Motion, the Commission did not schedule a public hearing, but specified August 24, 1988, as the date by which US Sprint could request a public hearing. US Sprint did not request a public hearing.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that (1) a public hearing in this investigation is not necessary, since no party has requested a public hearing, and (2) AT&T's rates should be approved on a permanent basis as filed in its amended application,

effective on the date of this Order, since AT&T has fully complied with requirements established in Case No. 9889.¹ AT&T should file revised tariff pages to implement this decision within 30 days from the date of this Order.

Accordingly, the above findings are HEREBY ORDERED.

Done at Frankfort, Kentucky, this 16th day of September, 1988.
