

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GREEN RIVER ELECTRIC CORPORATION)
NOTICE OF INCREASE IN RATES FOR RETAIL) CASE NO. 10275
ELECTRIC SERVICE)

O R D E R

On August 8, 1988, Green River Electric Corporation ("Green River") filed a motion requesting Commission authority to amend its "Notice of Increase In Rates" to revise the proposed rates for cable television pole attachments ("CATV") and the supporting exhibits containing the calculations of the CATV rates. Green River states that this amendment is necessary to correct its original filing which had erroneously included interest expense in the formula used to calculate the annual carrying charge factor for the proposed CATV rates.

Based on Green River's motion and the fact that no party filed a response thereto, the Commission is of the opinion and hereby finds that good cause has been shown to allow Green River to amend its "Notice of Increase In Rates" to correct its proposed CATV rates.

IT IS THEREFORE ORDERED that Green River's motion to amend be and it hereby is granted.

Done at Frankfort, Kentucky this 12th day of September, 1988.
