O R D E R

On December 22, 1988, the Commission issued an Order concluding its investigation of the cost allocation procedures to be used by the Independent Telephone Group ("ITG").<sup>1</sup> Included in the ITG at that time were the Leslie County Telephone Company, Inc. ("Leslie") and Salem Telephone Company ("Salem"). Subsequently, in Case No. 10433<sup>2</sup> and Case No. 89-197,<sup>3</sup> Leslie and Salem were purchased by Telephone and Data Systems, Inc. ("TDS"), a company which among other activities maintains and operates telephone companies in 26 states.

<sup>3</sup> Case No. 89-197, The Matter of the Joint Application of Salem Telephone Company for the Approval of the Acquisition of Salem Telephone Company by Telephone and Data Systems, Inc.

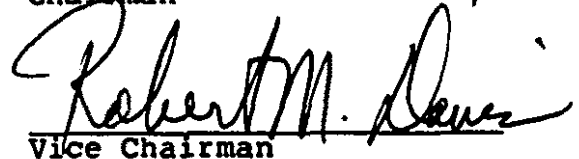

As Leslie and Salem are now owned and operated by TDS and are no longer a part of the ITG, the Commission finds that TDS should be required to file its Cost Allocation Manual in accordance with the Order dated June 26, 1989 and file all information requested of companies in that Order.

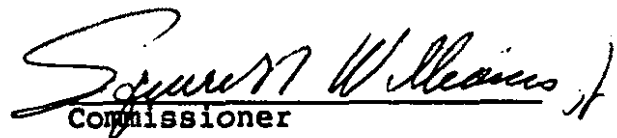

IT IS THEREFORE ORDERED that TDS shall file a copy of its Cost Allocation Manual and all other information requested in the above-mentioned Order, within 30 days of the date of this Order.
