O R D E R

On May 22, 1989, the Attorney General of the Commonwealth of Kentucky by his Utility and Rate Intervention Division ("Attorney General") filed a motion for additional time to file testimony, as well as other motions and responses. The Attorney General has requested an extension of 3 weeks beyond the date on which the motions and responses are addressed.

On May 30, 1989, South Central Bell Telephone Company ("South Central Bell") filed a motion for extension of time to file its supplemental testimony. In support of its motion, South Central Bell states that it needs time to respond to the motions of the Attorney General and to obtain further information from certain parties. South Central Bell requests an extension of 3 weeks from the date that it receives responses from those parties or an Order from the Commission stating those parties do not have to file the requested information.

The Commission, having considered these motions and being advised, is of the opinion and finds that the motions should be granted. Accordingly, the prefiled testimony of the Attorney

General and other non-utility intervenors and the supplemental testimony of utilities should not be due on June 2, 1989. The supplemental data requests and responses currently due June 23, 1989 and July 14, 1989, respectively, will also be rescheduled. An order addressing the outstanding motions and objections and establishing a new procedural schedule will be forthcoming.

BE IT SO ORDERED.

Done at Frankfort, Kentucky this 1st day of June, 1989.
