

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION INTO WHETHER WATS  
RESELLERS SHOULD BE INCLUDED IN  
THE ULAS ALLOCATION PROCESS

)ADMINISTRATIVE  
) CASE NO. 328  
)

O R D E R

This matter arising upon motion by GTE South Incorporated ("GTE South") filed July 31, 1989 to compel each and every WATS reseller to respond to GTE South's data request, opposition to such motion having been filed by LDDS of Kentucky, Inc. and LDDS of Indiana, Inc. due on August 8, 1989, and it appearing to this Commission as follows:

On or after May 8, 1989, GTE South served upon each WATS reseller, who is a party to these proceedings, two data requests to which no WATS Reseller has responded as of July 27, 1989. The procedural schedule established by the Commission in this proceeding permits the parties to serve data requests upon each other. While the Commission, by Order of May 30, 1989, suspended the procedural schedule, it specifically required the parties to respond to each others data requests by June 14, 1989. The information requested by GTE South is relevant to these proceedings, and the parties to whom they are addressed should be compelled to respond.

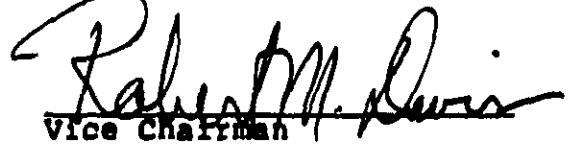

This Commission being otherwise sufficiently advised,

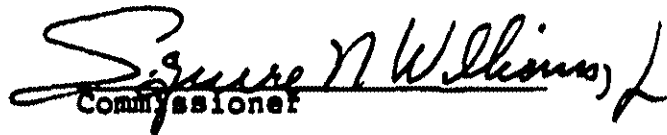

IT IS ORDERED that each of the WATS resellers to whom the data requests were made shall, within ten working days of the date of this Order, file their responses thereto.

Done at Frankfort, Kentucky, this 24th day of August, 1989.
