O R D E R

This matter arising upon petition of MCI Telecommunications Corporation ("MCI") filed May 16, 1989 pursuant to 807 KAR 5:001, Section 7, for confidential protection of information filed in response to the Commission's Order of May 1, 1989, and it appearing to this Commission as follows:

On May 1, 1989, the Commission entered an Order requesting the parties to furnish certain information relevant to these proceedings. The information sought to be protected by MCI was furnished in response to Item 1(a) of that Order. The information is competitively sensitive because it contains a list of MCI's customers which MCI's competitors could use to its detriment. Additionally, the information is not known outside of MCI and is known only to those employees of MCI who have a legitimate business need to know the information in order to perform their job responsibilities. The benefits of maintaining the confidentiality of this information outweigh the public's interest in this disclosure and the information should be treated as confidential.

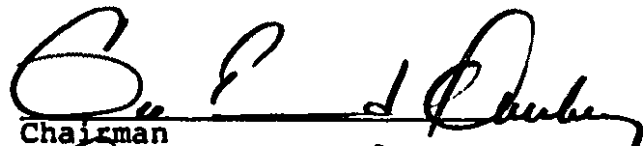

This Commission being otherwise sufficiently advised, IT IS ORDERED:

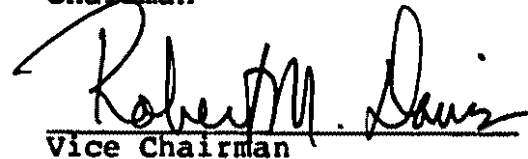

1. The information furnished by MCI in response to Item 1(a) of the Commission's Order of May 1, 1989, which MCI has petitioned be withheld from public disclosure, shall be held and retained by this Commission as confidential and proprietary and shall not be open for public inspection.

2. MCI shall, within 10 days of this Order, file an edited copy of the response with the confidential material obscured for inclusion in the public record, with copies to all parties of record.

Done at Frankfort, Kentucky, this 2nd day of October, 1989.
