SUBSECTION (4) OF 807 KAR 5:066 (5)))

CASE NO.
10030

O R D E R

On December 8, 1989, Parksville Water District ("Parksville") filed a written request for additional time in which to submit an engineering study of its water distribution system. The Commission will consider this request as a motion for an extension of time.

On February 17, 1988, the Commission ordered Parksville to submit no later than September 1, 1988 the required engineering study. The Commission has twice granted extensions of time, allowing Parksville until October 3, 1989 to comply with its Order. The Commission finds that Parksville has been granted adequate time to perform the required engineering study and that no further extension of time should be granted.

IT IS THEREFORE ORDERED that Parksville's motion for an extension of time be and is hereby denied.

Done at Frankfort, Kentucky this 15th day of December, 1989.
