

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF )  
LOUISVILLE GAS AND ELECTRIC COMPANY TO ) CASE NO. 10320  
IMPLEMENT A 25 PERCENT DISALLOWANCE OF )  
TRIMBLE COUNTY UNIT NO. 1 )

O R D E R

By Order entered July 29, 1988, the Commission granted a motion by the Louisville Gas and Electric Company ("LG&E") to postpone an informal conference that had been scheduled to discuss the unresolved rate-making issues arising out of the Commission's decision in Case No. 9934.<sup>1</sup> The postponement was granted because of the pendency of a petition for rehearing in Case No. 9934. The Commission has today issued its Order on rehearing in Case No. 9934 affirming its initial decision entered on July 1, 1988. Therefore, the Commission finds that an informal conference is still appropriate to discuss the scope of this proceeding and establish a procedural schedule.

Further, by Order entered August 10, 1988, the Commission held in abeyance, pending the rehearing in Case No. 9934, a motion by LG&E to strike the word "disallowance" from the caption and body of the July 19, 1988 Order initiating this investigation. Based on the aforementioned rehearing decision in Case No. 9934,

<sup>1</sup> Case No. 9934, A Formal Review of the Current Status of Trimble County No. 1.

and the discussion of the meaning "disallowance" set forth in that Order, the Commission finds that LG&E's pending motion to strike should be denied.

The Commission, on its own Motion, also finds that essential components of the issues to be addressed in this investigation were included in the records of evidence in Case Nos. 9934 and 10064.<sup>2</sup> Therefore, administrative efficiency and economy will be best achieved by incorporating by reference the evidentiary records of those two cases.

IT IS THEREFORE ORDERED that:

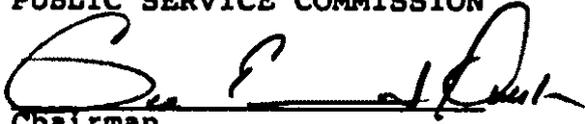

1. An informal conference be and it hereby is scheduled for May 18, 1989, at 9:30 a.m., EDT, at the Commission's offices in Frankfort, Kentucky.

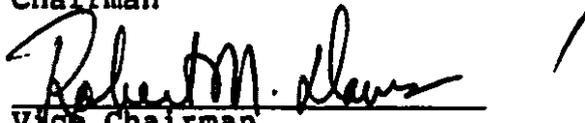

2. LG&E's motion to strike the word "disallowance" be and it hereby is denied.

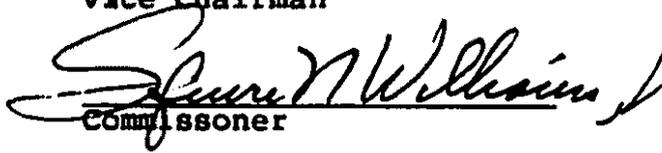

3. The records of evidence in Case Nos. 9934 and 10064 be and they hereby are incorporated by reference into the record of this case.

Done at Frankfort, Kentucky, this 20th day of April, 1989.

PUBLIC SERVICE COMMISSION

  
Chairman

  
Vice Chairman

  
Commissioner
