

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF)
LOUISVILLE GAS AND ELECTRIC COMPANY TO) CASE NO. 10320
IMPLEMENT A 25 PERCENT DISALLOWANCE OF)
TRIMBLE COUNTY UNIT NO. 1)

O R D E R

On June 14, 1989, Louisville Gas and Electric Company ("LG&E") filed a motion requesting the Commission to adopt a proposed plan to settle the issues surrounding the Commission's disallowance of 25 percent of Trimble County Unit No. 1. LG&E suggests that the parties be allowed to file comments on the settlement proposal by June 30, 1989, with LG&E filing reply comments by July 10, 1989. After receipt of all comments, the Commission would then determine the need for a hearing or conference on the settlement proposal. LG&E further requests that the procedural schedule established by the May 15, 1989 Order be held in abeyance pending review of the settlement proposal.

Based on LG&E's motion and being advised, the Commission is of the opinion and hereby finds that LG&E's settlement proposal warrants serious consideration by the Commission and all parties. The suggested procedural schedule for filing of comments is reasonable and will be adopted by the Commission. The procedural

schedule for this investigation, set forth in the Commission's May 15, 1989 Order, should be held in abeyance 1 month pending review of the settlement proposal.

IT IS THEREFORE ORDERED that:

1. The parties shall file comments on LG&E's settlement proposal by June 30, 1989.

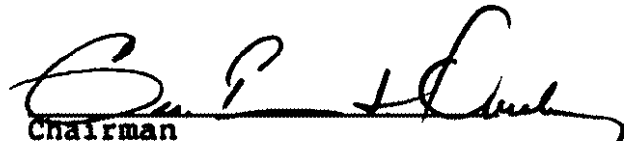

2. LG&E shall file reply comments by July 10, 1989.

3. The dates set forth in the procedural schedule adopted by the May 15, 1989 Order be and they hereby are extended for 1 month.

4. LG&E's testimony shall be filed in verified form by August 14, 1989 and all dates for further procedural events shall be established by subsequent Order.

Done at Frankfort, Kentucky, this 23rd day of June, 1989.
