O R D E R

On October 2, 1989, Campbell County Kentucky Water District ("Campbell County") moved for an extension of time to October 20, 1989 in which to respond to the Commission's Order of September 25, 1989. Given the time constraints in which this case must be heard and decided, such an extension, if granted, would totally disrupt the procedural schedule established for this case. Accordingly, the Commission is of the opinion and finds that Campbell County's motion for an extension of time should be denied.

IT IS THEREFORE ORDERED that:

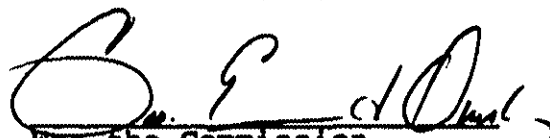

1. Campbell County's motion for an extension of time is denied.
2. Campbell County shall file no later than October 16, 1989 its responses to the Commission's Order of September 25, 1989.

3. Parties wishing to request information based on Campbell County's responses to the Commission's Order of September 25, 1989 shall serve their requests upon Campbell County no later than October 23, 1989.

4. All other portions of the Commission's Order of August 25, 1989, which established a procedural schedule in this case, shall remain in effect.

Done at Frankfort, Kentucky this 10th day of October, 1989.
