ORDER

IT IS ORDERED that Campbell County Kentucky Water District ("Campbell County") shall file the original and 12 copies of the following information with the Commission, with a copy to all parties of record, not later than 14 days from the date of this Each copy of the data requested should be placed in a Order. bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information requested herein has been provided along with the original application, in the format requested herein, reference may be made to the specific location of said information in responding to this information request. If the information cannot be provided by this date, you should submit a motion for an extension of time stating the reason delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. a. Provide a list of all outstanding issues of long-term debt as of the end of the test period with the related information as shown in Format 1a, Schedule 1. A separate schedule is to be provided for each time period. Report in Column (k) of Format 1a, Schedule 2, the actual dollar amount of debt cost for the test year. Compute the actual and annualized composite debt cost rates and report them in Column (j) of Format 1a, Schedule 2.

b. Provide an analysis of end-of-period short-term debt and a calculation of the average and end-of-period cost rates as shown in Format 1b.

2. a. Provide a schedule of the present and proposed rates, charges, terms and conditions, and service rates and regulations which the applicant seeks to change, shown in comparative form.

b. Provide a detailed analysis of customers' bills, adjusted to actual usage and in such detail that the revenues from the present and proposed rates can be readily determined.

c. Provide a schedule of test-year revenues for each rate schedule per book rates, present rates annualized, and proposed rates annualized.

d. Provide a schedule setting forth the effect upon average consumer bills.

e. Provide a statement setting forth estimates of the effect that the new rate or rates will have upon the revenues of the utility, the total amount of money resulting from the increase or decrease and the percentage increase or decrease.

f. Provide a schedule showing by customer class (i.e., residential, commercial, industrial, etc.) the amount and percent of any proposed increase or decrease in revenue distributed to each class. This schedule is to be accompanied by a statement which explains in detail the methodology or basis used to allocate the requested increase or decrease in revenue to each of the respective customer classes.

g. Provide a schedule showing how the increase or decrease in (f) above was further distributed to each rate charge (i.e., customer or usage charge per 1000 gallons, etc.). This schedule is to be accompanied by a statement which explains, in detail, the methodology or basis used to allocate the increase or decrease.

h. Provide a statement showing by cross-outs and italicized inserts all proposed changes in rates, charges, terms and conditions, and service rules and regulations for each rate or charge. Copy of current tariff may be used.

3. a. Provide monthly water sales and production for the 12 months of the test period, the 12 months preceding the test period, and the most recent period subsequent to the test period, as shown in Format 2a.

-3-

b. Provide the number of customers and revenue from water sales by month for the same period as 2a, as shown in Format 2b.

4. In comparative form, provide an income statement, a statement of changes in financial position, and a balance sheet for the test year and the 12-month period immediately preceding the test year.

5. Provide a trial balance as of the last day of the test year (all income statement accounts should show activity for 12 months) showing account number, account title, and amount. Show the balance in each control and all underlying subaccounts per Campbell County's books.

6. Provide the following monthly account balances for the test year:

- a. Plant in service (Account 101).
- b. Plant purchased or sold (Account 102).
- c. Property held for future use (Account 105).
- d. Construction work in progress (Account 107). (Separate this balance into CWIP eligible for capitalized interest and other CWIP.)
- e. Completed construction not classified (Account 106).
- f. Depreciation reserve (Account 108).
- g. Plant acquisition adjustment (Account 114).
- h. Amortization of utility plant acquisition adjustment (Account 115).
- i. Materials and supplies (include all accounts and subaccounts).
- j. Balance in accounts payable applicable to each account in (i) above. (If actual is indeterminable, give reasonable estimate.)

-4-

- k. A summary of customer deposits as shown in Format 3 to this request.
- 1. Computation and development of minimum cash requirements.
- m. Balance in accounts payable applicable to amounts included in utility plant in service. (If actual is indeterminable, give reasonable estimate.)
- n. Balance in accounts payable applicable to prepayments by major category or subaccount.
- o. Balance in accounts payable applicable to amounts included in plant under construction. (If actual is indeterminable, give reasonable estimate.)

7. Provide the cash account balances at the beginning of the test year and at the end of each month during the test year.

8. Provide the following information for each item of water property held for future use at the end of the test year:

- a. Description of property.
- b. Location.
- c. Date purchased.
- d. Cost.
- e. Estimated date to be placed in service.
- f. Brief description of intended use.
- g. Current status of each project.

9. Provide schedules in comparative form showing by month for the test year and the preceding year the balance of each water plant and reserve account or subaccount included in Campbell County's chart of accounts as shown in Format 4.

10. Provide the journal entries relating to the purchase of water utility plant acquired as an operating unit or system by purchase, merger, consolidation, liquidation, or otherwise since the inception of Campbell County. Also, a schedule showing the calculation of the acquisition adjustment at the date of purchase of each item of utility plant, the amortization period, and the unamortized balance at the end of the test year.

11. Provide the detailed workpapers showing calculations supporting all accounting, pro forma, end-of-period, and proposed rate adjustments in the rate application to revenue, expense, investment and reserve accounts for the test year, and a complete detailed narrative explanation of each adjustment, including the reason why each adjustment is required. Explain in detail all components used in each calculation, including the methodology employed and all assumptions applied in the derivation of each adjustment. Index each calculation to the accounting, pro forma, end-of-period, and proposed rate adjustment which it supports.

12. Provide a schedule showing a comparison of the balance in the revenue accounts for each month of the test year to the same month of the preceding year for each revenue account or subaccount included in Campbell County's chart of accounts. Include appropriate footnotes to show the month each rate increase was granted and the month the full increase was recorded in the accounts. See Format 4.

13. a. Provide a schedule showing a comparison of the balance of the operating expense accounts for each month of the test year to the same month of the preceding year for each account or subaccount included in Campbell County's chart of accounts. See Format 4.

-6-

b. Provide a schedule in comparative form showing the operating expense account balance for the test year and each of the 5 years preceding the test year for each account or subaccount included in Campbell County's annual report. Show the percentage of increase of each year over the prior year.

c. Provide a schedule of salaries and wages for the test year and each of the 5 calendar years preceding the test year as shown in Format 5 to this request. Show for each time period the amount of overtime pay.

d. Provide a schedule showing the percentage of increase in salaries and wages for both union and non-union employees for the test year and the 5 preceding years.

14. a. Provide a schedule of franchise fees paid to cities, towns, or municipalities during the test year, including the basis of these fees.

b. Provide an analysis of test-year other operating taxes in the format as shown in attached Format 6.

15. Provide a statement of water plant in service for the test year. This data should be presented as shown in Format 7 to this request.

16. Provide the following information:

a. A detailed analysis of all charges booked during the test period for advertising expenditures. This analysis should include a complete breakdown of Account 913 - Advertising Expenses, as shown in Format 8 attached and further should show any other advertising expenditures included in any other expense

-7-

accounts. The analysis should be specific as to the purpose of the expenditure and the expected benefit to be derived.

b. An analysis of Account 930 - Miscellaneous General Expenses for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 9 and further provide all detailed working papers supporting this analysis. At a minimum, the workpapers should show the date, vendor, reference (i.e., voucher no., etc.), dollar amount, and brief description of each expenditure. Detailed analysis is not required for amounts of less than \$500 provided the items are grouped by classes as shown in Format 9 attached.

c. An analysis of Account 426 - Other Income Deductions for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 10 and further provide all detailed working papers supporting this analysis. At a minimum, the workpapers should show the date, vendor, reference (i.e., voucher no., etc.), dollar amount, and brief description of each expenditure. Detailed analysis is not required for amounts of less than \$500 provided the items are grouped by classes as shown in Format 10 attached.

17. Provide a detailed analysis of expenses incurred during the test year for professional services, as shown in Format 11, and all working papers supporting the analysis. At a minimum, the working papers should show the payee, dollar amount, reference (i.e., voucher no., etc.), account charged, hourly rates and time charged to the company according to each invoice, and a description of the service provided.

-8-

18. Provide a detailed analysis of contributions for charitable and political purposes (in cash or services), if any, recorded in accounts other than Account 426. This analysis should indicate the amount of the expenditure, the recipient of the contribution, and the specific account charge.

19. a. Describe Campbell County's lobbying activities. Include with this description a schedule listing the name of each lobbyist, his salary, the organizations or trade associations of which he is a member, all paid or reimbursed expenses or allowances, and the account(s) charged for all its lobbying activities on the local, state, or national level.

20. Provide the following information with regard to uncollectible accounts for the test year and 5 preceding calendar years:

a. Reserve account balance at the beginning of the year.

b. Charges to reserve account (accounts charged off).

c. Credits to reserve account.

d. Current year provision.

e. Reserve account balance at the end of the year.

f. Percent of provision to total revenue.

21. Provide a detailed analysis of the retained earnings account for the test period and the 12-month period immediately preceding the test period.

22. a. Provide a listing of non-utility property and property taxes and accounts where amounts are recorded.

-9-

b. Provide a schedule for all non-utility property giving a description, the date purchased, and the cost.

23. Provide the employee data in Format 12 attached.

24. Provide a calculation of the rate or rates used to capitalize interest during construction for the test year and the 3 preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.

25. Provide the information, as soon as it is known, which would have a material effect on net operating income which occurred after the test year and was not incorporated in the filed exhibits.

26. Provide a detailed monthly income statement for each month after the test period, including the month in which the hearing ends, as they become available.

27. Provide a listing of present or proposed research efforts dealing with the pricing of water and the current status of such efforts.

28. Provide a schedule reflecting the salaries and other compensation of each executive officer for the test year and the preceding 2 calendar years. Include the annual percentage increase and the effective date of each increase, the job title, duty and responsibility of each officer, the number of employees who report to each executive officer and to whom each executive officer reports. Also, for employees elected to executive officer status during the test year, provide the salaries, for the test year, for those persons whom they replaced.

-10-

29. Provide an analysis of the expenses for research and development activities for the test year and the 5 preceding calendar years. For the test year include the following details:

a. Basis of fees paid to research organizations.

b. Details of the research activities conducted by each organization.

c. Details of services and other benefits provided by each organization during the test year.

d. Details of the expected benefits to the company.

30. Provide the average number of customers for each customer class (i.e., residential, commercial, and industrial) for the test period and for each month of the test period.

31. Provide the names and mailing addresses of each of Campbell County's commissioners.

32. Provide any current labor contracts and the most recent contracts previously in effect.
