BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF MONTGOMERY COUNTY)
WATER DISTRICT FOR AN ADJUSTMENT IN) CASE NO. 89-087
NON-RECURRING CHARGES)

O R D E R

On April 3, 1989, Montgomery County Water District ("Montgomery County") filed an application with the Commission to increase its tap fees, and to establish a service reconnect charge, a requested meter test charge, and a returned check charge. On April 26, 1989, the Commission issued an Order suspending the proposed charges until October 2, 1989.

On April 24, 1989, the Commission issued a letter to Montgomery County requesting additional information concerning certain filing deficiencies. On June 2, 1989, an additional letter was issued requesting that the deficient information be filed within 5 days of the receipt of the letter. On June 9, 1989, Montgomery County responded by letter and requested that it be given an extension of time in filing the requested information. The Commission will treat this letter as a motion.

The Commission, having considered the motion and being advised, is of the opinion and finds that:

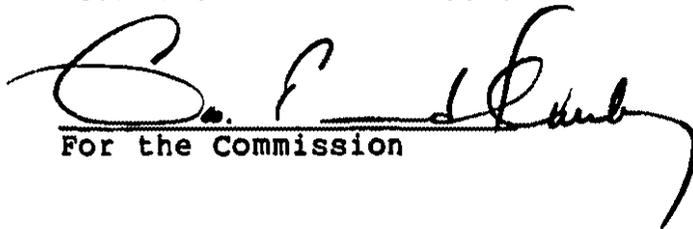

1. Montgomery County's motion for an extension of time in providing certain filing requirements should be granted.

2. Within 15 days from the date of this Order, Montgomery County should file the requested information.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 7th day of July, 1989.
