O R D E R

On June 13, 1989, AT&T Communications of the South Central States, Inc. ("AT&T") filed a motion for full intervention in this proceeding. The grounds for this motion were AT&T's special interest in that AT&T will be competing with Long Distance/USA, Inc. ("LD/USA") to provide service to customers, therefore AT&T needs to assure that it and its customers are accorded the same treatment as LD/USA.

The Commission, having considered the motion and being sufficiently advised, is of the opinion that the motion of AT&T should be granted.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 30th day of June, 1989.
