O R D E R

On November 20, 1989, city of Newport ("Newport") moved for full intervention in this matter as provided for in Commission Regulation 807 KAR 5:001.

After reviewing Newport's motion and being otherwise sufficiently advised, the Commission finds that:

1. Newport has a special interest in this proceeding. Newport is currently the major water supplier to Campbell County Kentucky Water District ("Campbell County"). Campbell County has entered into a contract with Kenton County Water District ("Kenton County") whereby Kenton County shall become Campbell County's exclusive water supplier. The construction proposed in Kenton County's application will allow it to effectuate this contract and replace Newport as Campbell County's water supplier.

2. No other party to this proceeding can adequately represent Newport's interest in this matter.

3. Newport's intervention is likely to present issues and develop facts that will assist the Commission in fully considering Kenton County's application without unduly complicating or disrupting these proceedings.

IT IS THEREFORE ORDERED that Newport is granted leave to fully intervene in this proceeding.

Done at Frankfort, Kentucky this 22nd day of November, 1989.
