O R D E R

On December 13, 1989, the city of Florence, Kentucky, ("Florence") moved for leave to intervene in this matter. After reviewing Florence's motion and being otherwise sufficiently advised, the Commission finds that:

1. Florence has a special interest in this proceeding. It purchases bulk quantities of water for resale from Kenton County Water District No. 1 ("Kenton County"). Florence alleges that this proceeding may affect the rate at which it must purchase its water from Kentucky County.

2. No other party to this proceeding can adequately represent Florence's interest.

3. Florence's intervention is likely to present issues and develop facts that will assist the Commission in fully considering Kenton County's application without unduly complicating or disrupting these proceedings.

IT IS THEREFORE ORDERED that Florence is granted leave to fully intervene in these proceedings.

Done at Frankfort, Kentucky this 15th day of December, 1989.
