

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GREEN RIVER ELECTRIC CORPORATION)	
APPLICATION FOR AN ORDER APPROVING)	CASE NO.
PROPOSED RESOLUTION OF UNDERBILLING TO)	10205
TOWN AND COUNTRY MOBILE HOME PARK)	

O R D E R

On February 20, 1990, Green River Electric Corporation ("Green River") and Town and Country Mobile Home Park ("Town & Country") submitted in this matter a Stipulation and Joint Motion to Dismiss. The parties have stipulated that Town & Country received unbilled electric service from Green River totalling \$378,319.52 between January 1979 and September 1988. Green River further stipulated its intention to withdraw its application for a surcharge on Town & Country to recover the billed amount and to employ other means of collection. The parties contend that as a result of this stipulation no further action by the Commission is required and that this matter should be dismissed.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. From January 1979 to September 1988, Town and Country received unbilled electric service from Green River in the amount of \$378,319.52.

2. In light of the parties' stipulation and Green River's voluntarily withdrawal of its application for a surcharge on Town & Country to collect the unbilled amounts, no reason exists to continue with this case.

IT IS THEREFORE ORDERED that:

1. The parties' motion is granted and this case is hereby dismissed.

2. Green River shall exercise reasonable efforts to collect the amount owed by Town & Country for unbilled electric service.

Done at Frankfort, Kentucky, this 23rd day of February, 1990.
