O R D E R

IT IS ORDERED that West Oldham Utilities, Inc. ("West Oldham") shall file an original and 10 copies of the following information with the Commission with a copy to all parties of record within 10 days from the date of this Order. If the information cannot be provided by this date, West Oldham should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. Provide detailed information on the number of customers West Oldham had during 1989 and the first 6 months of 1990. How many meters were pulled from service during this period? What is the average service life of each meter?

2. Provide information on the average cost of a new meter. What kind of rebate does West Oldham receive on each of its old meters?

3. Provide information on the number of meters tested during 1989 and the first 6 months of 1990. What kind of adjustment does West Oldham make when a meter reading is inaccurate?

4. Enclosed is a copy of an application for a deviation from the minimum water storage requirement of 807 KAR 5:066, Section 5(4). Answer each question in detail and return it along with any supporting documents.

5. Provide detailed information as to who performs the pressure surveys for West Oldham and how this information is maintained. Is this data readily available to the Commission and West Oldham?

Done at Frankfort, Kentucky, this 20th day of September, 1990.
