

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE INVESTIGATION AND REVIEW OF)
CUSTOMER-OWNED, COIN-OPERATED) ADMINISTRATIVE
TELEPHONE REGULATION) CASE NO. 337

O R D E R

Coin Phone Management Company ("Coin Phone Management") by motion received December 2, 1991 has requested rehearing of the Commission's determination that "0-" calls handled by COCOT providers furnishing toll calls must be directed to the Local Exchange Carrier ("LEC") operators. Coin Phone Management requests that "0-" calls be directed to an operator service provider capable of handling emergency situations. This is the same issue that Coin Phone Management previously raised in its petition for rehearing filed October 28, 1991 which was denied by Commission Order dated November 8, 1991. South Central Bell Telephone Company ("South Central Bell") responded to Coin Phone Management's motion on December 9, 1991.

The Commission finds that Coin Phone Management advances no additional arguments that have not previously been considered by this Commission and, accordingly, denies the motion for rehearing pursuant to KRS 278.400.

On its own motion, the Commission will address two additional issues. First, the Commission in 1985 directed LECs to obtain from every payphone customer a certification that the payphone

customer's telephone meets Commission requirements and forward the certifications to the Commission.¹ This requirement for such certificate is no longer necessary given the Commission's determinations about LECs' COCOT access tariffs and the regulation of payphones.

Second, the Commission will make additions to the annual report form contained in Appendix B of the Commission's decision of October 7, 1991. Attached hereto and incorporated herein marked as Appendix A is a revised annual report form for all customer-owned, coin-operated telephones. This annual report form is to be completed by all payphone entities and filed with the Commission by March 31st of each year.

The Commission, having considered the motion and response and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Coin Phone Management's motion for rehearing is denied.
2. LECs shall be relieved of the Commission's mandate to obtain certification from payphones concerning the equipment.
3. The annual report form contained in Appendix B of the Commission's October 7, 1991 Order is revised as contained in Appendix A, attached hereto and incorporated herein. This annual

report form shall be completed by all COCOT providers and filed with the Commission by March 31st of each year.

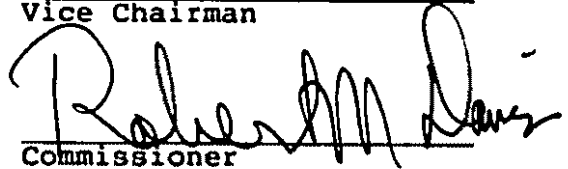

4. The Commission's Order of November 8, 1991 remains in full force and effect as to all other aspects.
